

## ONLY

2 o'clock midnight and you cannot sleep,  
Cause she's not here with you.  
And inside your dreams it's all been different  
She still belonged to you.

Just shut your eyes tight  
Hold on to what you see  
Everything here is yours..

You stand or you fall, can't explain it at all  
This life is only about you.  
Things they might disappear but to you they are here  
It's forever.

It all belongs to you, every "we" every "you"  
This life is only about you.  
Things they might disappear but to you there still here  
It's forever.

12 o'clock midday and you are clueless  
You don't know, what will be.  
Turning in circles your life goes nowhere  
You don't know, what you want  
What you want, what you want..
