

## I NEED SOME TIME

Baby, don't you know, how much it takes to take it not too hard  
Just to go on by, without ever asking why.  
Baby, I don't care if the sun goes up, or if it's raining, for I am alone.  
It feels like I was lost, feels like I would never succeed.

Refrain:

I need some time to forget you now, Need some time to go by.  
You know a whole world is changing now.

I'm walking down the road in the pouring rain,  
that I don't even recognize  
It doesn't matter now, it doesn't matter anyhow.  
Me I need to forget you to go on by, to live all on my own.  
I know, the time has come and I can't even run away.
