

TOGETHER

I do want no trouble here, need no one to make me fear,
'want a life without much tears, I am young just once.

Too many fools'n'too silly rules, too many brains that are not used.
-Those who believe in what they're told, closing their eyes.

Bridge:

Believe, life's easy just staying calm.
Agree, because they are forced to.
Believe in those simple rules they got,
following without thinking.

Brain working seems much too hard, easier to be a part
of Big Brother's ruling eye, watching every step now.

Do stay calm in any way, don't you ever think astray.
They'll hold you down anyway to be safe above.

While you
Bridge

Refrain:

We can just fight them down together.
We can tear down their crown together.
