

TIME IS WRONG

The fourth dimension is time itself and while you laugh
I may be bored, while somebody is dying.
And while you're living on, you die on
Because time is

Refrain:
Putting blisters on the fingers of an empty hand.
Being tired of watching television waiting for the end.
Time is wrong!

Future is much opportunity, but calculating luck must fail
and while you're sleeping, I'm wide awake
and life is telling tales, is

Refrain

Whatever I may do and wherever I may go,
whatever I may try to explain...
