

1986

A change of style	137
A passage to india	138
You make me feel confused	139
Goodbye	140
Feel fine	141
Your eyes	142
Money rules	143
This is normal	144
It's getting harder	145
Young	146
Strange weekend	147
Blue lonely nights	148
Human thinking	149
Bent on you	150
Closer to your mind	151
Nowadays	152
Cold as ice	153
A very serious thing	154
Affecting me	155
To mend a broken heart	156
The right thing	157
In devotion to life	158
Keeping in line	159
This time	160
You don't run away	161
Different times may come	162
Is there still time	163
